MeetUp Overview

Started in October 2014 by Nathan Hubbell

We got busy … and we could not find a space!

Re-started October 2015

Planning on one per month - 2nd Wednesday

We need organizers & speakers

It’s our group - what do you want it to be?

About Our Sponsor

realself

We are ...

"An online community for sharing information about elective treatments."

Ideas for Talks

NodeJS/Ruby/Python + AngularJS

Which is our favorite?

Gulp or Grunt?

Pro's and con's

AngularJS 2.0 + TypeScript + ES6

When & how to adopt? How to build components?

Bootstrap

Are there alternatives?
